MATTAPOISETT BATHING BEACH

On the cover, thanks to Gerald Smith, is the Mattapoisett beach as it appeared in the real dark ages. This picture is a print from a very old glass plate and we print the bathing beach as it appears now for a comparison. The gentleman in the walrus moustache is enjoying the same wonderful harbor and we can be thankful that the water remains the same. On the beach and the wharf there was room for inprovement though and there is much improvement just completed. New sand on the beach and a wharf that has been reinforced with concrete make our beach more attractive than ever.. Just as important, the wharf is stronger than ever and the beach house is the same. We hope the beach will remain just as it appears now for many, many years to come in spite of any storms in the future.

OPEN HOUSE AT CENTER SCHOOL FOLLOWED BY PARENT-TEACHERS MEETING

A very good attendance was noted at the Open House and the Parent-Teachers Club meeting held at the Mattapoisett Center School last Tuesday evening. Open house was held prior to the meeting in conjunction with National Education Week.

The PTC meeting was conducted by the president, William Matthews. It was voted to contribute the sum of $100. to the school visual aid fund as has been done in years past. A sum of money was also voted for the school welfare fund, the use of which will be known only by the school nurse and the school principal to purchase shoes for needy children.

The program chairman, Linwood Lewis, presented Mr. John Raphael who in turn introduced Mr. Frank Rumrill of Hanson, who spoke briefly. Mr. Rumrill is the American Legion district chairman for the Boys State program to which the PTC donates each year to send a local boy to the University of Massachusetts. He showed pictures taken during the 1954 program of the activities, explaining the different things the boys do. The program was enjoyed by all those present and really showed that all the money spent in this way will be returned many times over by these boys who will someday be running our government. Mr. Rumrill was assisted by Raymond Bradley and Robert Raphael in showing the pictures.

Refreshments were served in the all purpose room by the first grade mothers. Mrs. William Fuller, chairman, was assisted by Mrs. William Spark, Mrs. Wilfred Moss, Mrs. George D. Heath, Jr., Mrs. Alan Perkins, Mrs. Charles Figueiredo and Mrs. Foster Willoughby.

VISITED IN TOWN

Mr. and Mrs. Henning A. Sahlberg and son, Eric, of Cambridge, former residents of Mattapoisett, visited friends in Mattapoisett and Fairhaven over the holiday.

SOME THOUGHTS OF MINE
OLD HOME TOWN
by Murray R. Tuttle

Over the hills and far away
We see a place we'd like to stay
And so we hustle and settle down
In a strange, yet beautiful little town.

The people meet us as we pass by
There's none who know us, 'tho wonder why
We came to live in such a place
That's overcrowded with the human race.

So we wander around on every street
Not a soul we know of those we meet
And the beautiful town that looked like home
Was naught but a place where we did roam.

We finally returned to the old home nest
The one we rejected still was the best
There were our friends we'd know through life
Through health and happiness, storm and strife.

They grabbed our arm and shook our hand
And wanted to know why they we'd canned
And moved away to a stranger's place
With not a kindly familiar face.

4H ACHIEVEMENT OBSERVED AT GRANGE MEETING

An open grange meeting was held in Rochester Wednesday evening with Thomas Gayoski presiding. The fire association will have the use of the hall December 14th. The Home and Community will pay for the Xmas seals. The committee of the joint show to be held in the future, comprised of members of the Men's Brotherhood and the Grange will meet this Thursday, the 17th, in the vestry of the Long Plain Baptist Church.

A letter was read from the State Master advising he has accepted the invitation to attend the 50th anniversary of the Rochester Grange in February.

Corey Moss represented the Sippican Pomona and George Souza, master, was present and spoke briefly. Visitors were from Westport, Acushnet and Lakeville.

It was 4H achievement night and the following is the program: duet by Lorna Lizotte and Carol Taylor; demonstration on eggs by Thomas Gayoski, Jr.; solo by Janice Denault accompanied by Muriel Hartley; painting on glass by Edith Hedges; guitar and harmonica solo by Lyle Demoranville and a skit, Teenage Dream of Clothes from Santa, with Mae Norton as the dreamer and the 4H clothing classes of Rochester and Lakeville passed in revue.

Presentation of pins and awards were made by Miss Phyllis Brightman, Plymouth County

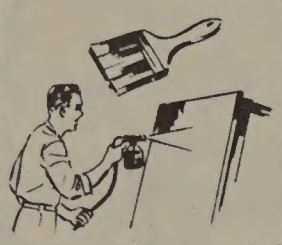
THE BEST GIFT TO GIVE

is a useful gift and what would be more useful to a home owner than a gallon of paint from the TOWN SHOP. Think it over, a gift certificate from you would be really two gifts. It would be a gift at Xmas when you give it and it would be a gift when it was turned in for a gallon of paint.



Smaller gift certificates can be made out in any amount for any size can of paint, or wallpaper. Do as so many people in Mattapoisett do, for PAINT and WALLPAPER, come to the store that treats you right.

Receiving pins and awards were: leaders, Lois Taylor, 1st year pin; Mrs. Jean Windsor, 3rd year pin; Mrs. Dorothea Hedges, 3rd year pin and Thomas Gayoski, seal. First year pins went to Arlene Rogers, Bernice Carreau, Marsha Doane, Andrea Doane, Ernestine Rogers and Joan LaPoint; third year pins to Edith Hedges, Joyce Rogers, Marjorie Gerrish, Thomas Gayoski, Jr. and Mae Norton; 5th year pins to Cynthia Walker, Anne Read, Ruth Anne Kirby and Elizabeth Bastien; and seals to Julian Tavares, 2nd year; Henry Hartley, 4th year and Meryden Kirby and Priscilla Randall, 6th year.

Refreshments were served by the 4H Town Committee, assisted by the 4H girls.

BOOT AND RUBBER EXCHANGE

Mr. John M. Souza, Jr. of the Parent-Teachers Club ways and means committee has announced a Boot and Rubber exchange to be held at the Center School of Mattapoisett.

Mr. Souza has requested all parents that have serviceable boots and rubbers that their children have outgrown to send them to school on Friday, November 18th. A list will be kept of all that are brought in so that an exchange can be made for 15 cents. The School All Purpose room will be open on Saturday, November 19th from 9 to 12 so that parents may bring in their children to get a pair of boots or rubbers that will fit. If none are brought in for exchange a pair may be purchased for 25 cents.

It is hoped that in this way all the unused boots and rubbers in town will be put to good use and that the parents and the PTC treasury will benefit.

LIONS CLUB HAVE MEETING

At a recent meeting of the Mattapoisett Lions Club, Ken Wood announced that flags may be obtained from him for distribution in the community. Lin Lewis pronounced the Lions initiated Community Hallowe'en observance a success.

Secretary Milton Heuberger, giving the results of the recently inaugurated attendance contest, placed team 1 in front with 24 points to team 2's 23½ points.

Ed Sylvia, chairman of the Anniversary Committee, reported that the anniversary celebration will be held on November 30th at the Harbor House in Marion. There will be a banquet, entertainment and dance. This affair will replace the regular November meeting which has been cancelled. All reservations must be in the hnads of the committee by the 26th.

President Arthur Baker and Secretary Milton Heuberger attended the Lions Zone meeting held on November 15th at the Harbor House.

Larry Green presented for the members a program of movies. Guests at the meeting were Grant Faber of Mattapoisett and Alfred Teixeira of Fairhaven.

The next Board of Directors' meeting will be held at 42 Oxford Street, Fairhaven on November 16th at 8:00 P. M.

CENTER SCHOOL NEWS

The First Grades are making progress with their reading books and some have started their second pre-primers.

In Grade 2y the children drew some wonderful pictures showing scenes from the stories they have read. In 2x stories were read to the class and book reports were given.

The Third Grade has been studying about the Plain Indians. One reading group has been learning how zoo animals are taken care of. This group is making zoo booklets. Grade 3y has been working on a letter unit in their language class. Carol Oliveira's reading group had fun making a syllable tree.

Grade 4y has seen filmstrips about the world. They got a better idea of what the equator is and where the United States is located. Grade 4x has been studying "Benjamin Franklin, a Good Citizen".

Grade 5x has had on its reading table a model of a medieval castle made by a member of last year's ninth grade. Penny Corey brought in some miniature knights in armor and horses which added to the interest of the exhibit. In geography they have begun their study of the northeastern states.

Grade 5y went to the New Bedford Whaling Museum and saw many of the things they have been studying about. Mr. Nash of the museum staff took the children on the Lagoda, and explained how whales were caught and the oil extracted from them.

Grade 6y has been studying about British Lands in Africa and have drawn free hand maps showing where the lands are located and their important cities. Grade 6x is learning how to make cloth and furnishing for the homes of primitive man.

Grade 7 is studying about the American Revolution. The geography class has completed several projects - an industrial town, a farming region, a city and a small community - Mattapoisett in the summer and in the winter.

Grade 9 has distributed the first issue of their newspaper, "The Log" to the Junior High. Articles in the paper consist of sports, school news, editorials, science, fun, music and art.

Books and book jackets are being exhibited in the display case by the Barstow Street entrance. Included is a quotation by Mark

JUVENILE GRANGE OBSERVE VETERANS' DAY

A patriotic program was held at the November 11th meeting of the Mattapoisett Juvenile Grange. Nancy Borges, lecturer, had as her guest speaker John Raphael, past commander of the American Legion, Florence Eastman Post #280. A prayer was given to honor all veterans before Mr. Raphael gave his very interesting address on the meaning of Veterans' Day. "The Song of Peace", a reading by Joyce Harriman, and group singing of patriotic songs concluded the program.

During the business meeting, conducted by the master, Edward Sylvia, the Home and Community Service chairman, Nancy Corcoran, asked for reading books to be used as a Christmas Project for the children at Lakeville Sanatorium. A Penny Sale of comic books was held at the meeting. She also asked for cancelled stamps, and pieces of flannel or blanket, these to be sent to an animal hospital. A meeting of the Home and Community Service Committee will be held Saturday, November 19th with Mrs. Heuberger and Mrs. Ricketson at Mrs. Heuberger's house on North Street.

Terrance Cray, educational aid chairman, has constructed a miniature school house to be used as a penny bank, and will be at the first meeting of each month. Proceeds of this will go to the State Educational Aid fund.

Following the meeting cake and punch were served by Frances, Carol and Paul Hyland. The Virginia Reel was enjoyed with Walter Caswell at the piano and George Sousa, master of Sippican Pomona, calling.

The next meeting will be November 25th and will be a Booster Program, when guests are invited. Refreshments will be in charge of Carleton and Warren Vaughan.

LOG FROM THE WHALESHIP CHARLESTON

Thanks to Mr. Marcue L. Foster of Aucoot Road, Mattapoisett and to Mrs. Howard P. Nash, Jr. of Mechanic Street, Mattapoisett we have the following log of the whaleship, Charleston, on one of her voyages.

The description of the vessel is as follows: two decks, three masts, 112'5" length, 27'2" breadth and 13'7" depth. Measures 373 and 35/95 tons. Square stern, no galleries and billet head. Built at Kennebunk, Maine in 1836. Master, Chester Braddock; first mate, William Lyon; 2nd mate, Richard Comstock; third mate, Daniel A. Baldwin and 28 crew members on the voyage from New London, Conn. from June 26, 1844 to March 9, 1847.

Daniel A. Baldwin was born in Stonington, Conn. July 2, 1811. He was a shipmaster himself, but on this voyage was 3rd mate. He owned schooners, and was a trader. He was the brother of the great grandfather (John Denison Baldwin) of Mr. Foster and Mrs. Nash, and so was their great, great uncle.

The Log:

Sunday, July 7th - This day begins with a fine breeze from the southward and westward. At 5 o'clock A. M. just as I had retired to my berth and sunk into a profound slumber and a dreaming of home of my wife and my little ones I was aroused by the spirit stirring cry of "There she blows - all hands - sperm whale on our weather bow one mile off". We hove the ship too, lowered away. The first mate got very nigh one but did not get fast. The whale was going to windward. We came on board the ship, hauled on the wind, got some breakfast then lowered again. This time the second mate's boat steerer darted and missed the whale.

We manouvered till 12 o'clock M then kept on our course for the Western Islands. This day at 12 o'clock there is three sails in sight - two brigs and a schooner. This 24 hours ends with light airs from the west. Longitude 36° 51½" by chronometer. Latitude 39° 38".

Methinks that the zephyrs that come
fron the west
Bring tidings of those far behind I love
best
Blow on gentle breeze, you are welcome to
come
Methinks in your murmurs I hear from my home.
I think as you press 'gainst our wide spread-
ing sail
In your murmurs I hear my sweet Infants low
wail
Again as you pass us a murmuring by
I hear its dear mother saying hush lullaby.
Blow on gently, you are welcome to come
Although you are wafting me way from my home.

Mr. Baldwin, besides his very good descriptions of the Pacific islands visited, had quite a knack for poetry, which he inscribed in the log. In future weeks we will write more from the log of the Charleston.
